Isaac & Abbey's Wedding Celebration

SUMMER WEDDING

Isaac and Abby were married in August in a beautiful backyard setting adorned with vibrant Japanese lanterns. They welcomed guests to a pre-ceremony reception to open the festivities. Martinis and savory delights offered a sneak preview of the enjoyment to come.

Round tables seating ten guests each invited guests to dine family style. Guests broke bread together, created memories with Polaroid pictures, lounged in the flip flop sandals that had been provided and danced under the brilliant starry night in the outdoor living room. The enchantment continued with an espresso cart, ice cream cart, and late night bites.
